**Most Used Utilities** - that I need to keep being reminded of

- **Backdrop** - Launch app to clear desktop
- **Cliptools** - CTL W to type NAME/TODAY'S DATE
- **KeyClu** - Press CMD twice, holding 2<sup>nd</sup> time to get shortcut key list
- **Screenpointer** - Press left/right CTRL keys
- **Skitch** - Click on Skitch icon, now works on M2 MBA
- **Uncluttered** - Run cursor to top and rotate scroller down.

## Most Needed Command Keys

OPT CMD Click/Drag - Copy Alias

OPT CMD V - Move ^C copied file (instead of pasting)

Alt Click/Drag - opposite of Click/Drag

Alt Save - Save As

CMD SH PERIOD - Show Hidden files

This file "Bill's Utilities.pages" is located at:

Dropbox/RW8 Sites/Host Webhostinghub/RW2/RW/Bill's Utilities/Bill's Utilities.pages

On the web - Theoretically at

<https://rw2.wdgeo.com/rw/bills-utilities.pdf>

But actually at

<https://rw2.wdgeo.com/rw/resources/bills-utilities.pdf>

Need to put it in a more appropriate location
